

Layton City CDBG Annual Action Plan, 2021-2022
Layton City Community & Economic Development

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

Layton City's 2021 – 2022 Annual Action Plan details a coordinated approach to housing, community, and economic needs that may be funded by the U.S. Department of Housing and Urban Development's (HUD) Community Development Block Grant (CDBG) program. It provides direction on the investment of CDBG dollars for a 12-month period, July 1, 2021 – June 30, 2022. This Annual Action Plan details how the City will carry out the goals and objectives identified in the plan. Layton City is the lead agency for the formation of this plan. Layton City will continue to utilize subrecipients for the provision of public services and will use internal staff to administer projects. This Annual Action Plan was done in consultation and coordination with multiple applicable and appropriate agencies and met the required public participation process.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

To efficiently expend the amount of CDBG funding granted to Layton City, the City will partner with available public service providers by funding responsible entities that provide a broad range of supportive services to needy populations. Layton City projects will include removing barriers to affordable housing through down payment assistance, home repairs, assistance to homeless persons, victims of domestic violence, youth services, land write-down for affordable housing, improving Historic Downtown infrastructure, and historic business rehabilitation work.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

Each year, Layton City reports its progress in meeting goals in the Consolidated Annual Performance Evaluation Report (CAPER). The CAPER is submitted to HUD within 90 days after the start of each new program year.

Layton City has recognized advantages in supporting agencies proven to be effective at providing supportive services to vulnerable, at-risk populations. Agencies such as Open Doors, Safe Harbor, Layton Community Action Council (Youth Court) and Lantern House are excellent partners and trusted, productive subrecipients of Layton City's CDBG funds. The down payment assistance program is annually in high demand, and has been effective in removing barriers to affordable housing. There are few areas

in the City that meet the required percentage for an area benefit for low-moderate income residents. One area is Historic Downtown Layton. CDBG funding will continue to be focused on this area to assist in improving the quality of life to the residents of downtown.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

This Annual Action Plan was done in consultation and coordination with multiple, applicable and appropriate agencies. The administrator identified multiple professionals that deal with a variety of issues including: economic development, housing, youth welfare issues, domestic abuse, homeless persons, public infrastructure, broadband Internet access, etc. The administrator had individual contact with these professionals, including representation from Open Doors, Safe Harbor (Davis Citizen's Coalition Against Violence domestic violence shelter), the Layton Community Action Council (Youth Court), Lantern House, Have a Heart, Davis Community Housing Authority (DCHA), Davis County, Davis School District, the State of Utah Department of Workforce Services, UTOPIA Fiber and the Utah Housing Coalition.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

See section AP-12 Citizen Participation for a summary of public comments received.

6. Summary of comments or views not accepted and the reasons for not accepting them

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

The 2021-2022 Annual Action Plan was created by Layton City Staff after consulting and coordinating with non-profit agencies, citizens, government agencies, businesses, and other private organizations. The CDBG Administrator identified multiple professionals that deal with a variety of issues including economic development, housing, youth welfare, domestic abuse, homeless persons, public infrastructure, broadband Internet access, etc. The Administrator had individual contact with these professionals, including representation from Open Doors, the Davis Citizen's Coalition Against Violence (Safe Harbor), the Layton Community Action Council (Youth Court), Davis School District, Have a Heart, Davis Community Housing Authority, Lantern House, UTOPIA Fiber (Layton's broadband Internet provider), and others.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

Layton City works closely and stays in consistent contact with its subgrantees to provide information to enhance coordination, both with subgrantees, which includes public and assisted housing providers and private and governmental health, mental health, and service agencies.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

Layton City supports two organizations that coordinate with the local Continuum of Care program: Open Doors and Lantern House. Open Doors provides temporary shelter to homeless persons. The program pays for homeless persons to stay at a motel on a temporary basis. Lantern House operates a homeless shelter in Ogden, Utah for homeless families and individuals and serves the entire Wasatch Front. People from Davis County, including Layton City, Salt Lake County, and other parts of Utah, utilize this shelter and supportive services.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

Layton City does not allocate ESG funds, develop performance standards and evaluate outcomes, or develop funding, policies and procedures for the administration of HMIS.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

Narrative (optional)

Layton City staff work closely with Davis County Community and Economic Development personnel to assess the ongoing needs of the community as it relates to the implementation of the goals located within the Annual Action Plan, specifically housing services and economic development. Layton City also works with the State Department of Workforce Services to maintain a grasp on the needs of the low- to moderate-income workforce as it pertains to barriers of obtaining employment. Layton City works in partnership with the Davis School District to assess homeownership needs of employed teachers. The City also works with intergovernmental departments, such as Layton City Economic Development, Police, Fire, and Engineering/Public Works departments to ascertain employment and housing opportunities, public safety needs, as well as needed infrastructure improvements in low-moderate income areas within Layton City. Layton City also provides multiple broadband Internet access opportunities for low- to moderate-income families. Layton City offers free broadband Wi-Fi access at public parks and City administrative offices. Residents also have affordable broadband access through UTOPIA Fiber, CenturyLink and other Internet service providers in the community.

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

The public was provided opportunities to comment on the formation and final draft of the Annual Action Plan. The first public hearing was held during the regularly scheduled City Council meeting on Thursday, February 18, 2021. The second hearing was held May 6, 2021.

The Layton City CDBG Annual Action Plan public hearings were published in the Standard Examiner newspaper, three weeks prior to the public hearings. The Standard Examiner is identified in the City's Citizen Participation Plan as being the widely circulated newspaper that would carry the notices.

A notice was published in the Standard Examiner on January 28, 2021 and again on April 1, 2021 that included a summary of the Annual Action Plan and made citizens aware that the Plan is available for review at the Layton City offices. The Plan was available for citizen review for 30 days before the final public hearing.

All citizen reviews, hearings and publishings were in line with the City's Citizen Participation Plan. All the requirements of the City's Citizen Participation Plan were met. The citizen participation process impacted goal-setting by assisting Staff and Council with verbal testimony on the need that existing agencies have for continued CDBG funding. Several agencies, including Safe Harbor, Lantern House, Youth Court, and Open Doors, that have received Layton City CDBG public service funding in the past, commented at the public hearings on February 18, 2021 and May 6, 2021.

Safe Harbor is a domestic violence shelter, Lantern House is the nearest homeless shelter that services several Layton clients. Youth Court helps hold youth accountable for their actions and builds skills necessary to prevent further acts of delinquency in the future.

The final public hearing for the Annual Action Plan was held on May 6, 2021. The hearing allowed the public to comment on the final draft of the Annual Action Plan. Comments received by the public on the plan are summarized below. At the conclusion of this public meeting, the 2021-2022 Annual Action Plan was approved and adopted by the city council.

1	Public Meeting	Non-targeted/broad community	<p>Three agencies -- Safe Harbor, Youth Court and Lantern House -- that receive Layton City CDBG funding, attended and commented at the public hearing on February 18, 2021. Lantern House is a homeless shelter in Ogden; Safe Harbor is a domestic violence shelter and Youth Court helps hold youth accountable for their actions and builds skills necessary to prevent further acts of delinquency in the future. Representatives from Davis Community Housing, Open Doors, and Youth Court were in attendance during the May 6, 2021 public hearing.</p>	<p>The first public hearing was held on February 18, 2021. Karlene Kidman, Youth Court Advisor, reported there were currently 23 youth trained and announced recruitment would begin next month. She informed the Council the majority of cases currently addressed were related to marijuana and e-cigarettes. Lauren Navidomskis, Executive Director, Lantern House, explained theirs was the largest shelter located in northern Utah and provided services for Davis County clients. She stated the goal was to transition clients from shelter to housing, encouraging independence, etc. She reported since April 1, 2020, the CDBG program had funded 827 nights of safe and secure shelter to Layton City clients experiencing homelessness. Kristin Floyd, Executive Director, Safe Harbor Crisis Center, mentioned funds were critical for providing services. She informed the Council her agency had already recognized an increase of approximately 40% for services prior to COVID and once the public was asked to isolate and/or quarantine an additional increase of almost 50% for services. She stated her agency provided 55,000 different services to residents of Davis County, and 50% of those were specific to the largest consumers in both Clearfield and Layton cities. She clarified 50% of all services were provided to residents of those two communities. She reported there was a huge need to increase services and programming to those seeking safety and healthy lifestyles outside of the violence clients had experienced at home. She reported Safe Harbor had recently expanded its services and were continuing to expand with a new building to be located in Layton City on property donated by Intermountain HealthCare Layton Hospital. She stated it was important to provide prevention services to the community which she believed this facility would contribute and pointed out the importance of providing outreach or outpatient services within the community. She indicated CDBG funding was critical to providing services to those in need in Davis County, more specifically Layton City. Mayor Petro requested Ms. Floyd clarify what types of services would be provided at the new facility and how the new building would be used. Ms. Floyd responded the emergency crisis shelter would not be located at this facility and clarified administrative offices/services would be facilitated in the new building. She emphasized no overnight stays would take place. The final public hearing for the Annual Action Plan was held on May 6, 2021. Shelly Pace, Davis Community Housing Authority, reported how CDBG grant funding had been used during the past year and specific for Emergency Home Repair/Rehab and shared some examples. She explained the income parameters and the number of residents which benefitted from the Program. Jason Wilde, Open Doors, expressed appreciation to the Council for the CDBG funding it had received. He reported it had provided emergency food supplies to thousands of Layton City residents, served hundreds of children in its crisis respite nursery, and served numerous families throughout the community. He explained the organization's goals was to lift residents from a vulnerable state to a safe state at which point they transition toward self-sufficiency. He described the Circles program which provided education to move residents out of poverty. He announced the requested funding for this year would go toward the Circles program, food bank, and motel vouchers. He also explained how the hotel vouchers were used this past year. He also expressed appreciation to the Youth Council for their service during the summer. Diane Mangleson, 251 East 925 South, shared her experience in working with Open Doors. She explained how she had benefitted from participating in the Circles Program and reported she had learned so much from their program and was grateful for her interaction with the volunteers associated with the organization.</p>

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

Layton City will rely on CDBG source of funds as the sole source for completion of CDBG eligible activities.

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of Con Plan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$

It is anticipated that about \$28,000 in program income will be received during the program year. It is estimated that a total of about \$405,151 will be available for this AAP.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how

matching requirements will be satisfied

Presently, there are no additional resources anticipated to augment CDBG funds, except within the Public Services category. Each of the subrecipients that Layton City's Community and Economic Development Department has partnered with provides additional private, state and local funds to complete their program goals. In the Layton City Redevelopment Project Area (RDA), there is potential to use Tax Increment Financing from the RDA in combination with CDBG funds in the Historic Downtown Layton improvements.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The Historic Downtown Layton area continues to be a target area where infrastructure improvements are applied. This area is primarily defined as located at or near the junction of Main Street and West Gentile Street, stretching North along Main Street to Gordon Ave. While CDBG funds will be primarily allocated citywide, Layton City will fund public service organizations not located in the city limits, but that provide assistance to a substantial number of Layton residents. Homebuyer assistance is provided to qualified homebuyers wishing to purchase a home in Layton. Program guidelines allow disbursement of funds throughout the entire city. Thus, all low and moderate income families have the opportunity to access these funds regardless of location.

Target Area	Percentage of Funds

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The rationale for focusing on the Historic Downtown area of Layton City is the qualified census tracts in this general area meet the required percentage of low-income benefit. It is also the area of town that has some of the greatest amount of economic need.

Discussion

Investments in Historic Downtown Layton will assist in restoring vibrancy to the area, thereby improving the quality of life for those low-income residents living in the area.

Table 10 - One Year Goals for Affordable Housing by Support Type

Discussion

Layton City anticipates creating 11 affordable housing units through acquiring existing units via 10 homebuyer assistance loans and facilitating the construction of a new home by the Davis School District or Have a Heart. Ten families will benefit who need to either correct an emergency condition determined to present an imminent danger to health and safety of the occupants or residential property or eliminate blight, conserve energy, and preserve housing via Emergency Home Repair/Rehab projects.

AP-60 Public Housing – 91.220(h)

Introduction

All Davis County and Layton City public housing units are created by the Davis Community Housing Authority (DCHA), which is the local public housing authority, and is currently separate from the Layton City CDBG program.

Actions planned during the next year to address the needs to public housing

Layton City will continue to assist the DCHA in consulting and policy assistance for public housing needs.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

Layton City will continue to assist the DCHA in any manner that it can to encourage public housing residents to become more involved in management and participate in homeownership. This includes advertising access to the Layton City "At Home" program (down payment assistance).

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

N/A

Discussion

While the DCHA is the public housing authority and charged with the creation of public housing in Davis County and Layton City, the City will provide any assistance possible to assist DCHA in their mission.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

Families and individuals that are homeless or at risk of becoming homeless are an especially vulnerable segment of our population. Layton City uses CDBG funds to assist Lantern House, Safe Harbor and Open Doors to serve this segment. Layton City also supports the actions of the local public housing authority, the Davis Community Housing Authority, and their efforts in assisting the homeless.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Layton City will rely on their subgrantees, e.g. Lantern House, Safe Harbor, Open Doors, etc. and established contact with the homeless population to assess their individual needs. Layton City will coordinate with these entities to ascertain areas of possible assistance.

Addressing the emergency shelter and transitional housing needs of homeless persons

Layton City will rely on its subgrantees, e.g. Lantern House, Safe Harbor, Open Doors, etc., in addressing the homeless population's need for emergency shelter and transitional housing.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Layton City subgrantees, e.g. Lantern House, Safe Harbor, Open Doors, etc., do an efficient job in resources and referrals to assist homeless persons taking back their lives. Lantern House, Open Doors and the Davis Community Housing Authority work closely with homeless persons to assist in the transition to permanent housing through resource and referral and through the Continuum of Care program. All of these entities track homeless persons in order to assist in preventing them from becoming homeless again.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving

assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Open Doors, Safe Harbor and the Davis Community Housing Authority are the primary institutions for assisting low-income individuals and families from becoming homeless. Layton City will continue to support their efforts.

Discussion

CDBG funds will be granted to assist public service agencies, including Lantern House, Safe Harbor, and Open Doors in their mission to assist the homeless.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

Availability, affordability and fair housing infrastructure were the fair housing impediments identified in Layton in the Davis County Fair Housing Equity Assessment and Regional Analysis of Impediments study. To assist in removing those impediments, Layton City facilitated areas to be available for multi-family developments, and have participated financially using Redevelopment Agency funds to assist in the construction of multi-family developments. The City provides down payment assistance as well as assisting in constructing new homes for 80% AMI or below households. Layton City also consistently provides information to residents on affordable housing options. Layton City conforms to the standards set by the International Building Code, which is followed throughout the State of Utah. The City is unaware of any negative effects of public policies on affordable housing and residential development.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Layton City plans to continue with the following activities:

- * Support the use of Mixed Use-Transit Oriented Development Zone, which facilitates land to be available for multi-housing developments and increases the potential of additional affordable housing stock.
- * Participate with Redevelopment Agency funds to assist in the construction of multi-family developments.
- * Provide down payment assistance to qualified homebuyers.
- * Partner with Davis School District and Have a Heart.
- * Provide information regarding Fair Housing Choice to locals.
- * Provide home repair/rehab assistance to qualified homeowners.

Discussion:

The Layton City CDBG program will provide down payment assistance to qualified homebuyers, assist the Davis School District or Have a Heart with the acquisition of land and required improvements for their construction of a new, single-family home and support zoning requirements that assist in the removal of barriers to affordable housing for low-income individual/households.

AP-85 Other Actions – 91.220(k)

Introduction:

Layton City, its staff, its subrecipients and Davis County will work together to address the priority needs identified in the 2021-2022 Annual Action Plan.

Actions planned to address obstacles to meeting underserved needs

Layton City will work closely with its subgrantees and Davis County to identify and address obstacles to meeting underserved needs.

Actions planned to foster and maintain affordable housing

The Layton City CDBG program will continue to provide the "At Home in Layton" program (down payment assistance) to qualified homebuyers to assist with removing the barrier to affordable housing for selected participants. Layton City will also work with the Davis School District or Have a Heart to construct a new affordable housing ownership unit for a qualified low/moderate income household. See AP-75 for additional information.

Actions planned to reduce lead-based paint hazards

Layton City will work to increase awareness of lead-based paint to families and professionals. City inspectors will actively educate and mitigate risk when situations arise involving lead-based paint. The Chief Building Official has attended a HUD training on lead-based paint hazards and mitigation. Homes that are purchased via the "At Home in Layton" program are visually inspected for deteriorated paint surfaces that could present lead-based paint hazards. Also, lead-based paint disclosures and information will be provided to buyers as necessary in homes receiving down payment assistance. Any loans offered to historic buildings for rehabilitation will require lead-based paint mitigation.

Actions planned to reduce the number of poverty-level families

Layton City is limited in the amount of support it can provide for anti-poverty efforts. CDBG funds are limited and funding for public services are even more limited. Layton will provide CDBG funding to the following public service organizations: Open Doors, Safe Harbor and Lantern House. These organizations have extensive programs to assist the needs of the impoverished. This strategy has been deemed most effective by the City as the programs provide counseling services and resource and referral services to help those in need become self-sufficient. The City will also work with redevelopment agencies, including the Layton Redevelopment Agency, in assisting families in the Historic Downtown

area.

Actions planned to develop institutional structure

In Layton City and Davis County, with partnerships in Salt Lake City and Ogden, there are no gaps in the institutional structure and service delivery system for carrying out a strategy to address priority needs.

Actions planned to enhance coordination between public and private housing and social service agencies

Layton City will continue to provide information to and receive information from all of the entities identified in the 2021-2022 Annual Action Plan. Layton City will facilitate any coordination necessary to address priority needs.

Discussion:

Layton City, its staff, its subrecipients and Davis County will work together to address priority needs identified in the 2021-2022 Annual Action Plan.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction:

RESOLUTION 21-22

A RESOLUTION ADOPTING THE COMMUNITY DEVELOPMENT BLOCK GRANT ANNUAL ACTION PLAN 2021-2022

WHEREAS, Layton City is an entitlement recipient of the U.S. Department of Housing and Urban Development's (HUD) Community Development Block Grant (CDBG) program; and

WHEREAS, Layton City is responsible for overseeing the development of an Annual Action Plan that describes the use of CDBG funds; and

WHEREAS, Layton City has prepared the Annual Action Plan 2021-2022 in accordance with Federal Regulations and has made these drafts available for public review and comment; and

WHEREAS, The Annual Action Plan 2021-2022 is ready for final review and adoption by the Council.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF LAYTON, UTAH:

1. That the Annual Action Plan 2021-2022, which is attached hereto and incorporated by this reference, is hereby adopted and may be submitted to HUD.
2. That the Mayor be authorized to execute any and all approvals and agreements with HUD for the use of Community Development Block Grant funds.
3. That the Mayor be authorized to execute the applicable Homebuyer Assistance Grant Agreements and the Grant Agreements for public service agencies that are provided grant funds in the Annual Action Plan 2021-2022. The public service agencies are identified at the following funding rates based upon the most recent allocations made by HUD, and which may be subject to minor revisions based on revised HUD allocations:

- Open Doors and Davis County Homeless, \$20,000;
- The Davis Citizen's Coalition Against Violence (Safe Harbor), \$18,000;
- The Layton Community Action Council (Youth Court), \$12,750;
- Lantern House, \$5,000;

PASSED AND ADOPTED by the City Council of Layton, Utah, this 6th day of May, 2021.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing, and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. **Maximum Feasible Priority.** With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. **Overall Benefit.** The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2020-2022 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. **Special Assessments.** It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.

Specific HOME Certifications

The HOME participating jurisdiction certifies that:

Tenant Based Rental Assistance -- If it plans to provide tenant-based rental assistance, the tenant-based rental assistance is an essential element of its consolidated plan.

Eligible Activities and Costs -- It is using and will use HOME funds for eligible activities and costs, as described in 24 CFR §§92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in §92.214.

Subsidy layering -- Before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing;

Emergency Solutions Grants Certifications

The Emergency Solutions Grants Program recipient certifies that:

Major rehabilitation/conversion/renovation – If an emergency shelter's rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation.

If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

In all other cases where ESG funds are used for renovation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

Essential Services and Operating Costs – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the recipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long as the recipient serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

Renovation – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services – The recipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal, State, local, and private assistance available for these individuals.

Matching Funds – The recipient will obtain matching amounts required under 24 CFR 576.201.

Confidentiality – The recipient has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement – To the maximum extent practicable, the recipient will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

Consolidated Plan – All activities the recipient undertakes with assistance under ESG are consistent with its consolidated plan.

Discharge Policy – The recipient will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.
